

Loikits Industrial Services
5240 West Coplay Road
Whitehall, PA 18052

March 25, 2007

To whom it may concern:

The GlyKool PG (inhibited propylene glycol) is created from either USP, food grade or non-toxic chemistries. However, it must be understood this product will lose its authenticity if installed in a non-sterile heat transfer system.

Please feel free to contact our customer service department if you require additional information.

Thank You
Dan Loikits
President and General Manager
Loikits Industrial Services Inc.
